(Aligned with the Centralized Credit Score – CCS Evaluation System)

- **Gold Honors (100–130)**
- **Silver Honors (70–99)**
- **Bronze Honors (50–69)**
- **Honorable Mention (30–49)**

CENTRALIZED CREDIT SCORE – CCS EVALUATION SYSTEM (INDIA)

Health Research Presentations Centralized Credit Score (CCS)

Evaluation Category	Criteria	Max Score
1. Scientific Content & Relevance	Significance of topic, originality, depth of research	30
2. Clarity of Objectives & Methodology	Clear aim/hypothesis, proper research design, ethical consideration	20
3. Data Presentation & Accuracy	Accuracy of results, visuals (charts, tables), clarity of data interpretation	15
4. Innovation & Impact	Novelty, community/public health relevance, or clinical application	15
5. Communication & Presentation Skills	Confidence, articulation, body language, time management	15
6. Visual Design of Poster	Layout, readability, graphics, consistency	10
7. Literature Review & Referencing	Depth of background research, proper citation	10
8. Response to Questions	Accuracy, clarity, professionalism in answering	10
9. Ethical & Social Responsibility Component	Inclusion of ethics, equity, inclusion, or impact on underserved populations	5

Score Range	Grade	Remarks
120–130	★★★★★ (Outstanding)	Exceptional in all aspects
100–119	★★★★☆ (Excellent)	Strong, with minor improvements
80–99	★★★☆☆ (Good)	Meets standard expectations
60–79	★★☆☆☆ (Fair)	Needs improvement in core areas
< 60	★☆☆☆☆ (Basic)	Major revision or guidance needed

CENTRALIZED CREDIT SCORE – CCS EVALUATION SYSTEM (INDIA)

Health Case Report Presentations Centralized Credit Score (CCS)

Evaluation Criteria	Details	Max Score
1. Case Novelty & Clinical Significance	Rarity, uniqueness, or important variation in presentation	25
2. Clinical Clarity & Timeline	Well-structured chronological description (history, diagnosis, management)	20
3. Diagnostic Accuracy	Justified investigations, appropriate use of imaging/labs	15
4. Management Plan & Outcomes	Evidence-based treatment strategy and patient follow-up	15
5. Learning Points / Clinical Pearls	Key takeaways for practitioners or students	10
6. Literature Review & References	Relevant comparison with existing cases or published literature	10
7. Presentation & Delivery Skills	Clear speech, confidence, explanation of medical terms	10
8. Poster Visuals	Readability, image quality (X-rays, scans), layout	10
9. Response to Questions	Accuracy, depth, and confidence in discussion	10
10. Ethical Consideration	Patient consent, de-identification, sensitivity	5

Score Range	Grade	Remarks
120–130	★★★★★ (Outstanding)	High academic and clinical merit
100–119	★★★★☆ (Excellent)	Thorough, impactful with strong delivery
80–99	★★★☆☆ (Good)	Solid, but with areas for enhancement
60–79	★★☆☆☆ (Fair)	Acceptable, but needs refinement
< 60	★☆☆☆☆ (Basic)	Requires significant improvement

CENTRALIZED CREDIT SCORE – CCS EVALUATION SYSTEM (INDIA)

Health Outreach Presentations Centralized Credit Score (CCS)

Evaluation Criteria	Details	Max Score
1. Public Health Relevance	Importance of the topic to community/public health	25
2. Clarity of Objectives & Message	Clearly defined aim and easily understood message for the audience	20
